Interests

Web Development

- Studied web development and design for 1 year, currently participating in the Perpetual Education school of Web Design, expected to finish the curriculum February 2022.

Reading / Researching

- I enjoy reading books about various topics including Sales, Psychology, Biology, History, Economics, and various fiction novels as well. I try to constantly learn about new ways to think and approach problems and incorporate that knowledge into my daily life.

EXPERIENCE

Security Guard

March. 2021 - May. 2021

Allied Universal | Mobile Alabama

- Worked as security for Springhill Medical Center
- Kept parking lot and building entrances secure through a combination of camera surveillance and on foot patrol
- Kept hospital staff and patients secure by transporting individuals via van around the facility. Performed vehicular surveillance and ensured daily protocol continued unabated.

Front End Assistant

August 2019 - 2020

Costco | Mobile, Alabama

- Performed several key front end roles by providing customer service, as well as stocking of goods and cleaning of the warehouse.
- Worked in the deli department by fulfilling customer orders, preparing meals, and ensuring the deli environment was spotless daily.

Vape Shop Manager

November 2018 - August 2019

Fluid Vape | Mobile, Alabama

- Managed employee schedules and payroll
- Maintained an efficient store environment by utilizing social media to create store campaigns.
- Used negotiating and sale skills to match customers with the perfect vape products

Vice President

2018 - 2019

Tau Kappa Epsilon Fraternity | University of South Alabama

- Scheduled and managed fraternity meetings
- Closely communicated with alumni in order to maintain relationships with donors and fraternity contributors
- Monthly monitoring of fraternity finances in both the short and long term trajectories.
- Organized numerous community service events including food bank drives and park cleanup events.
- Led successful fundraisers by partnering with restaurants in order to increase both restaurants sales while also giving a portion of the proceeds towards the Saint Jude Children's Research Hospital

EDUCATION

University of South Alabama | Bachelor of Secondary English Education

Expected May. 2022

- Currently a senior and participating in field experience classes wherein I shadow a professional educator. In spring 2022 I will begin a teaching internship at a school in the Mobile county public school system.
